## The issue: PUBLIC EDUCATION

Cory Booker

A+

### School Vouchers

Sharpe James opposes school vouchers. He knows they will rob Newark's schools of funds that will benefit all students.

F

Cory Booker wants to take public school funds to send a few children to private and religious schools.

A +

### School Funding

Sharpe James has always fought for additional funding for Newark's schools, because he knows all our students deserve a chance in life.

D-

Cory Booker's voucher scheme will take money out of the public schools, and transfer it to private and religious schools.

A+

### School Construction

Sharpe James worked hard for passage of the \$12 billion state School Facilities Act, which will help Newark repair and rebuild its schools.

C-

Cory Booker says he'll "fight for new school construction." Sharpe James already won that fight in the Legislature.

A+

### Smaller Class Sizes

Sharpe James is a strong advocate for small class sizes, because he knows they make a real difference in the lives of our students.

Incomplete

Cory Booker's plan to divert funds from public schools could make it impossible to reduce class sizes.

**When it comes to public education,  
Newark's choice for Mayor is clear.**

**On May 14, Vote for Sharpe James.  
For all of Newark's children.**
